

# DIY Rosemary-Lemon All-Purpose Cleaning Spray

4 ingredients

10-14 days

## DIRECTIONS

1. In a one quart jar, combine rosemary, lemon peels, water and vinegar. Allow to rest 10-14 days in a cool location to allow oils to infuse.
2. Strain lemon peels and rosemary and transfer liquid to a spray bottle for use.

## INGREDIENTS

- 2 sprigs Rosemary
- 2 Lemons (peels only)
- 2 cups Water
- 2 cups White Vinegar

## NOTES

### Lemon Peels & Rosemary

If desired, lemon peels and rosemary may be placed directly inside the spray bottle. The scent will intensify over time before breaking down and the bottle will look great sitting on the shelf!
